Kids Restore the Kepler

During term 3 students will be looking at pest plant and animals from the Kepler area. This is part of the Kids Restore the Kepler 'Meet the Locals' programme. This week the pest plant is the blackberry.

Matariki Night Time Nature Walk

On the evening of Friday the 25th of July we held the Matariki Night Time Nature Walk on the Kepler Track. Lots of families turned up for the event; we had 86 people in total. Three groups, led by two DOC rangers each, set out to see what they could discover in the bush. The highlights were seeing a tree covered in weta, finding a stick insect, seeing some glow worms, hearing a morepork and spotting constellations in the starry sky. We look forwards to having another night time adventure in the Kepler next year.

Mararoa School Ski Trip, Friday 29 August 2014

All forms must be returned to school by **Monday 4 August at the latest**. You need to return forms even if you are not skiing. If you have any queries please contact the school office. **If you have mislaid your form, it can be found on the school website in the newsletter area.**
