23 September	Gymnastics
24 September	Trampolining – Fiordland Events Centre
26 September	Term 3 concludes

Our school roll continues to grow and, I am delighted to say, with an unexpected enrolment this week we have reached the magic number of 51. As long as we retain this number of children for the next ten days, the Ministry of Education will fund a third full-time teacher from the beginning of term 4 until the end of the school year. Room 3 will be back in action full-time and we will notify the parents of the children who are going to be in this class in the last week of this term.

Yesterday's rugby challenge against Te Anau created its usual hum of excitement with both teams exhibiting excellent skills and outstanding sportsmanship. Te Anau proved to be much too strong for us, retaining the "Alliance Log of Wood" for another year, after a well-deserved win. At afternoon-tea it was a joy to hear the players from both schools discussing the game and congratulating their opponents for good play. This reinforced the excellent spirit that exists between our two schools and the importance of ensuring these events continue on a regular basis, in order to maintain these networks.
